

## HENFOLD LAKE GROUNDS

There are two CL's - one on either side of the Top Lake nearest the Club House for Caravan Club members.

Electric hook-up is available.

Booking is essential during the summer months.

Whilst on site, caravanners are free to visit the Club House as guest members.

## RALLY FIELD

There is a 14 acre field which can be used for caravan rallies.

There are dog walks and public footpaths through the woodland, which adjoins three sides of this field.

DAY TICKET FISHERY WITH ALL AMENITIES

CORPORATE FUNCTION DAYS

# HENFOLD LAKE FISHERIES

Set in 95 acres of beautiful wooded Surrey countryside, Henfold Lake Fisheries boasts five distinct lakes joined by weirs and an interconnecting stream. The lakes are all mixed fisheries well stocked with carp to over 20lb, good sized ghosties, bream, chub, crucians, roach, rudd, perch golden orfe with golden and green tench to provide good all year round fishing.

This is a day ticket fishery with all amenities including a Club House and W.C.'s

## HENFOLD CLUB HOUSE

Overlooking Lake 1 is our own Club House selling a good variety of cooked meals including breakfasts with both hot and cold drinks. The Club House facilities are available to all anglers and their guests.

## MATCH FISHING

The lakes can be hired for matches but must be booked in advance, details can be obtained by writing to Henfold Lake Fisheries. Approximate numbers of pegs necessary will be required.

The Club House is available during and after the match as participants become guest members. Early morning breakfast, hot and cold drinks can be provided on prior request.

A barbeque area close to the Club House may also be hired for Party bookings.

The Club House can be reached direct on (01306) 885725

# RULES OF THE FISHERY

*Whilst we have done our best to eliminate writing out rules, we have found it necessary to point out the following:*

- ❖ Barbless hooks to be used
- ❖ No keepnets, unless in booked matches
- ❖ No litter to be left on banks or thrown into lakes
- ❖ No picnic stoves
- ❖ All dogs must be kept on a lead
- ❖ Landing nets necessary - one per fisherman
- ❖ No radios or tape recorders to be played on the banks
- ❖ All bicycles and cars to be left in the car park - with the exception of disabled persons who with prior permission, may park at certain points
- ❖ No wading
- ❖ No Boilies, trout pellets, groundbait, hemp or nuts of any description to be used
- ❖ No method feeders or fixed lead rigs
- ❖ No entry or fishing before 6.00am

## NOTE:

You are reminded that before commencing to fish, you should be in possession of a valid rod license
